

7.1.9: Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens.

At SBCE, we are committed in giving all round education to the students. And sensitizing students on our constitutional rights, values, duties and responsibilities is one of the primary education given at the institute through various means.

Sensitization of students and employees of the Institution to the constitutional obligations is done through curriculum as well as through extra-curricular activities. The university is offering a common course, Constitution of India regardless of their branch of study. It helps to sensitize the students about the constitutional obligations. The study of their own country constitution and studying the importance environment as well as understanding their own human rights help the students to concentrate on their day to day discipline. It also gives the knowledge and strength to face the society and people. There is one subject Sustainable Engineering which gives them insight into global environmental concerns.

In addition to this many regular programs are conducted by Women's forum of the institute to educate women about their rights. Also seminars and workshops are conducted on days of national importance on various rights, duties and responsibilities of citizens.

NSS unit of the institution conducts a Independence Day and republic day celebrations in the college campus to develop national and patriotic spirit in the students. An oath is taken by all students and faculties to keep their surroundings clean. Also many skits and dance performances are presented in various events related to sensitization.
