## REPROGRAPHIC FACILITIES

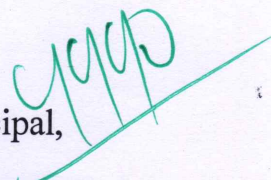

Reprographic facilities are provided to the staff and students of SBCE through the Reprographic Centre situated at the campus, during the working hours. There are enough printers, scanners, and photocopiers at the center. By offering staff and student's large-scale printing, copying, and spiral binding services, the center can make sure that their needs and requirements are met as quickly as feasible. As the nature of the work is largely academic, the photocopying charges are fixed at a nominal rate which is just enough to support the operational costs.
