4.1.1 Details of institutions facilities for teaching- learning in the form of classrooms, laboratories, computing facilities distributed among different blocks are consolidated here.

The Institute is situated in Pattoor near Nooranad. The campus is spread on 29.59 acres and is divided into five unique blocks: M Visvesvaraya Block, Jawaharlal Nehru Block, Homi J Bhabha Block, Sarvepalli Radhakrishnan Block, and Mahatma Gandhi Block. Three of these are stand-alone buildings: the library (Sarvepalli Radhakrishnan Block), the department of computer science engineering (Homi J Bhabha Block), and the department of civil engineering (Jawaharlal Nehru Block). The remaining two blocks are utilized on a sharing basis. Institute has been augmented with infrastructure that interplays intelligent design and space articulation with ergonomically designed classrooms and laboratories having an impressive aesthetic appearance. The institute has spacious library, workshop, drawing hall, exam control room, training and placement and faculty rooms. The institute has ample infrastructure facility which is ensured to be utilized in the best possible way to uphold the teaching-learning process in addition to conducive environment for co-curricular activities and extra-curricular activities. Institute has favorable atmosphere nurturing research and innovation amongst students and faculty members. The Institute has sufficient facilities to conduct cultural, gymnasium and yoga activities.
